Re: • **Docket 2018-267-S**
• **Request for Clarification**

Dear Ms. Boyd:

The undersigned represents Spartanburg Sanitary Sewer District, (hereinafter as, “SSSD”), in the above-referenced Docket. I write to request clarification of the status of this Docket, and I refer you to the following:

- I. The “Petition”, of Moore Sewer, Incorporated, (hereinafter as, “Moore”), e-filed August 14, 2018;
- II. E-mail correspondence from Moore, e-filed on August 21, 2018; and
- III. Correspondence from Jeffrey M. Nelson, Esquire, of the South Carolina Office of Regulatory Staff, (hereinafter as, “ORS”), e-filed on August 22, 2018.

The foregoing referenced filing from Moore, designated as “II”, contains the following, “Please know, **the letter sent to the Public Service Commission of South Carolina and the Office of Regulatory Staff was for information only purposes.**” (Emphasis not in original). Also the foregoing referenced filing, designated as, “III”, Attorney Jeff Nelson of ORS states, “**At this time, there is no action required on behalf of the ORS or the Public Service Commission of SC...**” (Emphasis not in original).

In reviewing the statement from Moore and the statement from ORS' counsel, both have stated that no action is required by this Commission. Accordingly, SSSD respectfully requests, that the Commission issue a Directive Order finding no responsive filing is required by SSSD, at this time, and/or holding the Docket in abeyance, or closing the same.

Also, please consider the following on SSSD's behalf, in response to some of the statements made by the Representative of Moore in the foregoing referenced filing from Moore designated as, "I". The Representative of Moore referenced an Agreement with SSSD and SSSD does have an existing Agreement with SSSD for the discharge of wastewater into SSSD's system, which was executed in 2003. Representatives of SSSD contacted Moore by correspondence in May of 2018, indicating the need to address certain issues. SSSD Representatives met with Representatives of Moore to discuss the issues and SSSD proposed an amendment to the Agreement. Discussions with Moore are ongoing and SSSD hopes to conclude the matter with a revised Agreement, in the near future.

Respectfully Submitted,

/s/ _____
Richard L. Whitt,
As Counsel for Spartanburg Sanitary Sewer District.
